### Resilience of Disability Sector Organisations in Covid and Post Covid Era: A Panel Discussion

**Panelists:**  
Dr. Himangshu Das, Director, NIEPVD, Dehradun  
(MoSJE, GOI)  
Dr. Amitabh Mehrotra, Founder Director, SPARC,  
Lucknow  
**Moderator:**  
Dr. Amitav Mishra, Professor, IGNOU, New Delhi

**Brief about the session:**  
The organizations working in the disability sectors are seriously affected due to Covid19. The lockdowns and restrictions have posed number of serious implications on their financial, manpower, rehabilitation/training services including technology front. These organizations are now going through a resilience phase; a number of support systems through government and self help initiatives can bring back the organizations to their previous regular track. All heads of such organizations are invited to ask questions to make panel discussion live and interesting.
